

Shipping & Delivery Policy

Last Updated: March 2026

At **ANORRA**, we strive to ensure efficient and reliable delivery of all orders. As a **B2B Provider of sustainable products**, shipping and delivery timelines may vary depending on production requirements, order volume, and destination.

1. Order Processing

All orders are processed after:

- Order confirmation
- Finalization of specifications
- Completion of required documentation
- Confirmation of payment terms (if applicable)

Production and dispatch schedules are planned based on the confirmed order details.

2. Delivery Timelines

Delivery timelines provided by **ANORRA** are **indicative estimates only** and may vary depending on:

- Order quantity and customization
- Production schedules
- Availability of materials
- Delivery location
- Logistics partner schedules

While we make every effort to meet the estimated delivery timelines, delays may occur due to operational or external factors.

3. Shipping Methods

Orders may be shipped using:

- Authorized logistics partners
- Freight services
- Courier services
- Transport providers depending on order size and destination

Shipping arrangements may be coordinated with the customer when required.

4. Transfer of Risk

Unless otherwise agreed in writing, **risk in the goods passes to the buyer upon dispatch** from the facility of **ANORRA**.

Customers are responsible for ensuring proper handling, transportation, and insurance once the shipment has been dispatched.

5. Export Orders

For international shipments, export orders will be subject to:

- International shipping regulations
- Customs documentation requirements
- Import duties, taxes, or regulatory compliance applicable in the destination country

Customers are responsible for complying with the import regulations of their respective countries.

6. Delays and Force Majeure

ANORRA shall not be held responsible for delays caused by circumstances beyond our control, including but not limited to:

- Logistics or courier service delays
- Customs clearance procedures
- Government regulations
- Natural disasters
- Labor strikes
- Force majeure events

In such cases, delivery timelines may be extended accordingly.

7. Delivery Inspection

Customers are advised to inspect shipments immediately upon delivery.

Any visible damage, shortage, or discrepancy should be reported promptly with:

- Photographic evidence
- Delivery documentation
- Order or batch details

This will help ensure timely investigation and resolution.
